TERMINAL DISCLAIMER

Sir:

I, Myron B. Kurtzman, as agent for Exxon Chemical Patents, Inc., a Delaware Corporation, represent that Exxon Chemical Patents, Inc. is assignee of the entire right, title and interest, by assignment filed February 25, 1992, of application Serial No. 676,690, filed March 28, 1991 for OLEFIN POLYMERIZATION CATALYSTS. Exxon Chemical Patents, Inc., hereby disclaims the terminal part of any patent granted on the above-identified application that would extend beyond the expiration date of U.S. Patent No. 5,026,798, and hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to any such patent shall be the same as the legal title to U.S. Patent No. 5,026,798. This agreement is to run with any patent granted on application Serial No. 676,690, and to be binding upon the grantee of such patent and its successors or assigns.

Petitioner does not disclaim any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory term of U.S. Patent No. 5,026,798, even in the event that U.S. Patent No. 5,026,798 later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or part under 37 C.F.R. § 1.321(a), or is otherwise terminated prior to the expiration of its statutory term, except for the separation of legal title stated above.

Re: Delegation of Signatory
Authority

Honorable Commissioner of Patents
Patent and Trademark Office
U.S. Department of Commerce
Washington, D.C. 20231

Sir:

This letter is written to notify you that Exxon Chemical Patents Inc. (ECPI) has delegated certain signatory authority in connection with patent prosecution before the United States Patent and Trademark Office. Enclosed herewith is the original copy of a letter dated March 5, 1991, and executed on March 8, 1991, by Roger E. Chandler, president of ECPI, formally making the delegations.

It is requested that this enclosed delegation letter be filed in the Patent and Trademark Office for reference in verifying the signatory authority given to the designated individuals. This delegation supersedes a similar authorization executed on August 18, 1986, by Norman N. Hochgraf, and previously filed in your office.

Very truly yours,

Harold Einhorn
